

TAYYAR

شركة التيار للتطوير والاستثمار الصناعي
Altayyar Company for Development and industrial Investment

' PURE ELECTRICAL. PURE POWER '

Product Catalogue

Company Introduction

شركة التيار لتطوير واستثمار الصناعات الكهربائية هي شركة سعودية رائدة في تصميم وتصنيع حلول متكاملة لأنظمة الطاقة الكهربائية ذات الجهد المنخفض والمتوسط، تشمل التوزيع والتحكم والمحولات والأنظمة المخصصة. تعمل الشركة وفق أعلى معايير الجودة العالمية، وتخدم قطاعات حكومية، صناعية، وتجارية في مختلف أنحاء المملكة.

Tayyar Electrical Industries Development Co. is a leading Saudi company specialized in the design and manufacturing of integrated power system solutions for low and medium voltage applications. Our solutions include distribution panels, control panels, transformer systems, and customized electrical solutions. The company operates under the highest global quality standards, serving government, industrial, and commercial sectors with high professionalism and commitment.

Vision & Mission

رؤيتنا: أن نكون الشريك الوطني الرائد في تقديم حلول توزيع الطاقة الكهربائية الذكية والموثوقة.
رسالتنا: تقديم منتجات كهربائية عالية الجودة تدعم رؤية المملكة 2030.

Our Vision: To be the leading national partner in delivering smart and reliable power distribution solutions.

Our Mission: To deliver high-quality electrical products that support Saudi Vision 2030.

Factory & Facilities

يقع المصنع في مدينة سدير الصناعية، مجهز بأحدث تقنيات التصنيع المتقدمة، مما يمكننا من تنفيذ المشاريع بكفاءة عالية وفق أعلى معايير الجودة،

Our factory is located in Sudair Industrial City, equipped with advanced manufacturing technologies, enabling us to execute projects with high efficiency and Superior quality standards.

Production Capabilities

- تنفيذ المشاريع الحكومية والخاصة بكفاءة عالية.
- فرق هندسية مدربة ومرونة في تخصيص الحلول.
- إدارة المشاريع وفق جداول زمنية دقيقة.

- High-efficiency execution of government and private projects.
- Well-trained engineering teams and flexible customization.
- Project management with precise timelines.

Product Categories

- **Low Voltage:**

- Main Distribution Boards
- Sub-Main Distribution Boards
- Final Distribution Boards
- Capacitor Banks
- ATS Panels
- Motor Control Centers
- Synchronization Panels
- Power Control Centers
- Starter Panels
- VFD Panels
- Soft Starter Panels
- Pump Control Panels
- HVAC Control Panels
- FAN Control Panels
- AC / DC Panels
- Swimming Pool Control Panels
- Relay Control Panels
- PLC Panels
- Street Lighting Control Panels
- Dimming Control Panels
- Fire Alarm Interface Panels
- Feeder Pillars

Product Categories

- **Medium Voltage:**

- Ring Main Units (TRM / QRM)
- Customized Medium Voltage Panels
- MV Switchgear Customized Panels
- Package Sub-Stations

- **Bus Ducts / Bus Risers:**

- Bus Duct Systems
- Bus Risers

- **Metal Engineering Solutions:**

- GI Sheet Steel Wall / Floor Mounted Enclosures
- Stainless Steel Enclosures
- Package Sub-stations
- Cable Trays (GI / SS)

- **Technical Solutions / Services:**

- LV / MV Switchgear Solutions
- Smart Lighting Solutions
- Solar Projects
- Testing & Commissioning
- Harmonic Analysis
- Discrimination Studies
- Electrical Training for Fresh Graduates

- **Electrical Projects:**

- Installation of Switchgears (LV/MV), Generators, Transformers
- Cable laying, Termination & Glanding Works

Certifications & Partners

Our Certifications & Recognitions:

- ISO 9001 Certified – Complying with international quality standards.
- Jadeer Certified by Monshaat – Proving government procurement readiness.
- Graduate of SABIC's Nusaned™ Program – Supporting local content and growth.
- Listed in the Local Content Mandatory List – Certified by the LCGPA.
- Registered Vendor with Saudi Aramco – Approved for the energy sector.
- Registered Vendor with Saudi Electricity Company (SEC) – Trusted in power infrastructure.
- Registered on NEOM Vendor Portal – Aligned with giga-project standards.
- Certified Vendor with SEVEN (Saudi Entertainment Ventures) – Supporting national entertainment infrastructure.
- Member of Monshaat's Tomoh Program – Recognized as a high-growth potential company.

Our Strategic Partners:

- Rockwell Automation / CUBIC – Industrial automation and modular enclosure solutions.
- SAFVOLT – Switchgear and panel solutions.
- FuruTec (Busduct Systems) – High-efficiency busbar systems.
- Medelec – Power and distribution transformers and enclosures.

Why Choose Tayyar ?

WHY?

- High Quality with Certified Technical Documentation
- Fast Execution and Delivery
- Compliance with International Standards
- Reliable After-Sales Support
